---

<sup>1</sup> Additional fees, subscriptions and/or requirements apply for some apps. App availability may vary by market and over time.

<sup>2</sup> Up to 13 hours of battery life based on typical Surface device usage. Testing conducted by Microsoft in September 2020 using preproduction software and preproduction Surface Laptop Go Intel® Core™ i5, 128GB, 8 GB RAM Microsoft Surface® Edition devices. Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing 8 popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default except screen brightness was set to 150nits with Auto-Brightness disabled. Wi-Fi was connected to a network. Battery life varies significantly with settings, usage and other factors.

<sup>3</sup> Available colors may vary by market.

<sup>4</sup> Surface Laptop Go for consumers comes with Windows 10 Home in S mode to bring you the powerful Windows features you use most at an exceptional value. If you need additional enterprise management and security tools for the workplace, you can switch to Windows 10 Pro.

<sup>5</sup> Surface Laptop Go display has rounded corners within a standard rectangle. When measured as a standard rectangular shape the screen is 12.45" diagonally (actual viewable area is less).

<sup>6</sup> System software and updates use significant storage space. Available storage is subject to change based on system software updates and app usage. 1 GB = 1 billion bytes. 1 TB = 1000GB. See [Surface.com/Storage](https://surface.com/Storage) for more details.

<sup>7</sup> Microsoft's Limited Warranty is in addition to your consumer law rights.
