Flagship-level 108MP quad camera to deliver outstanding photography

Boasting a rear quad camera setup, Redmi Note 11 Pro delivers an outstanding photography experience with zero compromise. Its 108MP main camera captures stunning images in high-resolution and vivid colors; an 8MP ultra-wide angle camera extends your perspective with a 118-degree viewing angle; a 2MP macro camera that captures fine details up close and a 2MP depth sensor that's for capturing more natural looking portrait shots. Accenting the front of the phone is a 16MP front camera that can capture clearer and natural-looking selfies. The 108MP pro-grade main camera utilizes the Samsung HM2 sensor with a large sensor size at 1/1.52 inch, and supports 9-in-1 pixel binning technology as well as a dual native ISO to deliver incredible images in all lighting conditions, with spectacular results especially in dim light.

Performance powered by 67W turbo charging and MediaTek Helio G96

Redmi Note 11 Pro comes with flagship 67W turbo charging, allowing you to charge up to 51% of its 5,000mAh high capacity battery in just 15 minutes*. Powered by MediaTek Helio G96, Redmi Note 11 Pro also delivers a smooth and seamless performance.

120Hz FHD+ AMOLED DotDisplay packed into trendy flat-edge body

Featuring a large 6.67" FHD+ AMOLED DotDisplay with 120Hz display refresh rate, Redmi Note 11 Pro levels up the screen experience with smooth scrolling response and lag-free transitions. The beautiful display is packed into a body with a trendy flat-edge design. Plus, with the dual super linear speakers located at the top and bottom of the phone, Redmi Note 11 offers immersive stereo sound for gaming or watching videos.
