

POCO M5s

The fun magician

Performance

- MediaTek Helio G95
 - CPU: octa-core CPU, up to 2.05GHz
 - GPU: Mail-G76 MC4
- LPDDR4X RAM + UFS 2.2 ROM
- 4GB + 64GB, 4GB + 128GB, 6GB + 128GB
- Supports expandable storage up to 1TB

Display

- 6.43" AMOLED DotDisplay
- Resolution: 2400 x 1080 FHD+
- Aspect ratio: 20:9
- Peak brightness: 1100 nits
- Contrast ratio: 4500000:1
- Corning® Gorilla® Glass 3

Battery & Charging

- 5000mAh (typ) battery
- Supports 33W fast charging
- USB Type-C cable

Camera

Rear camera

- 64MP main camera
 - Aperture: $f/1.8$
 - AF mode: PDAF
- 8MP ultra-wide angle camera
 - Aperture: $f/2.2$
 - 118° FOV
- 2MP macro camera
 - Aperture: $f/2.4$
- 2MP depth camera
 - Aperture: $f/2.4$

Front camera

- 13MP front camera
 - Aperture: $f/2.4$

Design

- Dimensions: 160.46mm x 74.5mm x 8.29mm
- Weight: 178.8g
- Colors available: Grey, White and Blue

Connectivity

- Dual SIM, dual standby: 4G + 4G
- Supports 4G/3G/2G
- Network bands:
 - 4G: LTE FDD: Band 1/2/3/4/5/7/8/20/28
 - 4G: LTE TDD: Band 38/40/41 (2535-2655MHz)
 - 3G: WCDMA: Band 1/2/4/5/8
 - 2G: GSM: Band 2/3/5/8
- Wireless Networks:
 - Bluetooth 5.0
 - Wi-Fi Protocol: 802.11 a/b/g/n/ac 2.4G + 5GHz

Others

- Dual speakers
- IR Blaster
- Z-axis linear motor
- Face unlock
- Multi-functional NFC
- Side fingerprint sensor
- 3.5mm headphone jack
- Expandable storage up to 1TB
- IP53

Record life's best moments with the magic camera

Take sharper photos and record stunning 4K video with the POCO M5s' rear camera system, which captures joys at your fingertips. It includes a 64MP primary camera, an 8MP ultra wide-angle camera and two 2MP sensors for depth detection and incredible close-ups. On the front is a 13MP camera for beautified selfies and sharp videos. With the help of AI computational photography, it is easy to make the most of the premium tech to help everyone express themselves. You can capture a portrait with stylish natural bokeh effect, shoot landscape with ultra-wide mode, take great photos in the dim light with night mode, and produce professional time-lapse and slow motion videos.

Magic display brings a feast for audio-visual experience

With a 6.43-inch Full HD+ AMOLED DotDisplay and dual speakers, the POCO M5s is like a pocket cinema to amplify the fun of watching sports and getting lost in your favorite movies. You'll be amazed by the dual speakers with punchy and immersive sound and the true to life colors in every content which brings a 4.5 million to 1 contrast ratio and DCI-P3 color gamut. The POCO M5s also has premium features to protect your eyes, like DC Dimming to reduce the flickering of the screen and 360° ambient light sensor to accurately and smoothly adjust the screen brightness. Reading Mode brings warm and a paper texture, while the Sunlight Display gives you bright visuals, even on a sunny day in the park or at the beach.

Performance and battery geared up to power endless fun

The new POCO M5s has all the power you need to make endless fun possible thanks to a MediaTek Helio G95 processor with powerful ARM Mali-G76 MC4 GPU. Combining smooth graphics performance and efficiency, you can enjoy nonstop mobile gaming, indulge in power-hungry augmented reality or stream videos on your favorite platforms. Equipped with a high-capacity 5,000mAh battery, your POCO M5s will keep up with your busy schedule, giving you close to 12 hours of gaming fun, one and a half days of voice calls and about a month in standby mode¹. It also supports 33W fast charging and can be at 100% in just over an hour to eliminate any worries about your phone running out of juice².
